AGGRESSION SHOULD BE PUNISHED AT START
At times it is easy to think of the last war as something that "just happened"—a horrible catastrophe whose effects must be dealt with for a long time to come, but a catastrophe more like an act of nature than of men.
It is close to us and yet far away. Its consequences are all about us, but they are not yet in perspective. The burning hatred of the enemy war lords has subsided. In its place the fear of a new war and the need to prevent it occupy our thoughts and blur the old outline.
Then the long trial of former Premier Tojo and his companions in Japanese treachery comes to an end. And suddenly the memory of World War II becomes sharp. We recall that it was the deliberate creation of cold-hearted, cold-minded, cruel, bigoted men. These Japanese, like their Nazi partners, were the architects of a war unmatched for savagery and destruction. And now, like the Nazis, they must pay for their crimes.

This is something new. Mankind, after suffering and glorifying wars throughout its history, at last decided that the murderers of thousands must face the same justice as the murderer of one. Yet there were some who objected to this decision after the Nuremberg trial of the Nazis.

They claimed there was no precedent for such a trial, nor even any laws to cover the defendants' crimes. The court was prosecutor as well as judge. The Nazis were condemned and convicted before they were tried. The whole idea was unsound because the very military who prosecuted Goering and his clique might meet a similar fate in another war.

The public generally was not much impressed by these objections. And there is even less room for fault-finding in the Tokyo trials. Tojo and the rest were given the longest trial in history. Their cases were heard by civilian judges.

The evidence was weighed carefully, and punishment was fixed in proportion to the weight of their crimes—within the limits of what justice can exact. Naturally, the lives of Tojo and the other six cannot pay for their offenses.

At any rate, the precedent is set. But, while it is just, it cannot cover the whole possible field of war crimes. The Nazi and German war lords were not punished for losing a war, as some of them claimed. But they could not have been punished if they had not lost it.

A victorious aggressor in a world war could not legally be punished by his victims. It is more likely that he might adopt the precedent of Nuremberg and Tokyo to punish the leaders who resisted him.

The only solution, of course, is the punishment of aggression at its start by the combined force of international action. That is the United Nations' job. So far the United Nations has given little cause for hope that it could forestall any serious threat to world peace. The will and the means to realize that hope must be found. Punishment of aggression after a war is morally right, but it is far from the perfect answer.

Winchester Club To Sponsor Tree Planting Project

Winchester—The literature and civics department of the Winchester Woman's club held its November meeting in the Winchester library. Twelve members were present to answer roll call with "A Thought for a Day."

The business meeting was presided over by the chairman, Mrs. C. E. McDonald. The department voted

to sponsor the planting of an acre of pines in the Memorial forest, a state conservation project. The trees will be in memory of the men of Winchester and vicinity who lost their lives in World War II.

The program was in the form of a forum on "Making Over Our Home Town." It was given by the following committee: health conditions, Miss Leola Riggs; safety, Mrs. R. L. Schwab; appearance and convenience, Mrs. J. C. Barnett; and active citizenship, Mrs. N. L. Hutchens.

Lost 20 Pounds for Cost of Only \$3.75 says Granite City Lady

Mrs. C. M. Krieger finds Renuel effective after other methods fail.
"I am 60 years old and excess weight has bothered me for some time. I have tried many ways to lose weight with no success. I have taken only three bottles of Renuel and have lost 20 pounds already. I feel so much better in every way and am no longer bothered with that bloated feeling or the feeling of being heavy on my feet." Hundreds of others have obtained similar relief from the social and physical discomfort of being overweight. Why not try this effective yet inexpensive method of reducing and enjoy the pleasure of feeling younger and more alive. Try Renuel and notice the amazing locks you will receive from your friends as your figure becomes younger and your vitality increases. Just go to your druggist and ask for 4 ounces of liquid Renuel. Pour the contents into a pint bottle—add enough unsweetened grapefruit juice to fill the bottle and then take two tablespoonfuls twice a day. That's all there is to it. If you aren't satisfied with the results, return the empty bottle to the manufacturer and your money will be refunded. You need never know a hungry moment while taking Renuel—no starvation diet—no printed diet list to buy—no vitamins to fortify you against weakness while going hungry, for you WON'T be hungry. Don't be switched to another product. Insist upon genuine Renuel.

At the close of the meeting Mrs. J. M. Overton presented her annual treat—a box of ripe persimmons—to the department.

Miss Charlotte Dustin Bride Of Kohl Perbix

Couple Pledge Vows In Rites At Pittsfield

The marriage of Miss Charlotte Dustin and Leland Kohl Perbix was solemnized in an impressive double-ring ceremony which took place Sunday afternoon, Nov. 14, at the Congregational church in Pittsfield.

The bride is the daughter of Mr. and Mrs. Charles S. Dustin of Rockport. Mr. Perbix's parents are Mr. and Mrs. Leland Perbix of west of this city.

The ceremony was performed by Dr. C. J. Armstrong before an altar adorned with ferns, palms and baskets and vases of large white chrysanthemums. Mrs. Gerald Cook sang "Song of Ruth," "The Lord's Prayer" and "Benediction," accompanied at the organ by Mrs. Leola Hutchison.

Wears Period Gown
Given in marriage by her father, the bride was attired in a period gown of white satin, styled with a Bertha of Chantilly lace and featuring a ruffled panel of the same lace down the front of the gown. The gown was further fashioned with a fitted bodice, long sleeves, pointed at the wrists, and a cathedral train.

The fingertip veil fell from a tiara of latticed seed pearls. As her only jewelry, the bride wore a single strand of pearls, given her by the bridegroom. Her bouquet was a showered arrangement of white carnations and sweet peas, centered with a green orchid.

The bridal attendants were Miss Barbara Sutter, Mrs. Robert Kraemer of Lakewood, Ohio, and Miss Mary Dell Adams, bridesmaids, and Mrs. J. W. Hilliard of St. Joseph, Mo., as matron of honor.

Carry Colonial Bouquets
The bridesmaids wore gowns of gold faille and carried colonial bouquets of gold and bronze mums, with matching coronets in their hair. A similar gown in emerald green was worn by the matron of honor.

Approximately 400 guests were present at a reception held in the church parlors following the ceremony. Assisting with the serving were Hilda Williams, Rosemary Stark, Marilyn Yaeger and Mrs. Howard Richards.

Upon returning from a wedding trip to New Orleans, the couple will be at home at the Diamond Apartments in Pittsfield, where Mr. Perbix owns and operates the Perbix Implement Co.

Prognosticator Bids Grid Season Farewell

Minnesota wins, making its record 5-2 in the Big Nine, and upsets by Ohio State and Illinois leave Northwestern and Ohio State with final conference standings of 4-2. You figure it out, Minnesota.

Stanford vs. California—The Bears to wind up a perfect 10-game season. California.

Oklahoma vs. Kansas—The powerful Sooners are favored but Kansas is capable of an upset, with fingers crossed, Oklahoma.

Duke vs. North Carolina—The Tar Heels still have a chance for a Bowl assignment and aren't likely to be caught napping again. North Carolina.

Penn State vs. Pittsburgh—The Panthers always are tough for the Nittany Lions, but our vote rides with Penn State.

Oregon vs. Oregon State—After taking this one in stride, all the grammatically incorrect but offensively sound Webfoots need to do is sit back and wait for the Rose Bowl votes to be counted. Oregon.

Furman vs. Georgia—By a mile, Georgia.

Yale vs. Harvard—In a close one, Harvard.

Kentucky vs. Tennessee—The Vols should be able to handle Kentucky, despite the fact both teams have identical records. Tennessee.

Running rapidly over the rest of the week-end's better games:

Friday
San Jose State over Fresno State, Youngstown over Baldwin Wallace.

Saturday
East
Columbia over Syracuse, Iowa over Boston University, Boston College over St. Mary's, Holy Cross over Temple, Villanova over San Francisco, Washington and Lee over Delaware, Rutgers over Fordham, Lafayette over Lehigh, West Virginia over Western Reserve, Georgetown over George Washington, Muhlenberg over Bucknell, New York University over Kings Point.

Midwest

Injury Jinx Hits Pittsfield Basketball Team

Pittsfield — If Pittsfield develops into the team to beat in this area, plenty of fans are predicting that the Saukees will probably not be until after the holidays.

Coach Glenn Smith, who just steered the Indians through their first undefeated, untied grid season in 27 years, is faced with an injury list as he begins cage drills. But that's nothing new to the Pittsfield mentor, who has overcome bad luck before.

Bob Sidwell may be out for the season. He suffered broken bones in his foot during football season.

Bob Niebur has a broken collar bone and will not be available before Christmas.

Bob Kattelman suffered a pulled muscle in his leg on the first play of the Winchester football game and won't be available for three to four weeks. He won't be at full strength until after the first of the year.

Still, the picture in the Pike county seat isn't too gloomy. Eight lettermen return from last season's sectional tournament contenders.

James Dennison, Bruce Peebles and Don Afor are lost from the 1947-48 club which won 16 and lost nine. But, back are Bob Voshall, Bob Kattelman, Bob Sidwell, Bob Niebur, Bob Dell, Richard Zimmerman, Donald Beard and James Collier.

Smith will be assisted in basketball, as in football, by Carol Lowe, a McKendree college graduate.

Smith, himself, is in his fifth year at Pittsfield, having coached previously at Columbia, Mo., Edwardsville and Quincy.

Pittsfield lists open dates on February 18 and 19.

Michigan, Ohio Contest Is Tops In Nation

Columbus, Ohio, Nov. 18.—(P)—Michigan's wily Wolverines and Ohio State's rebounding bucks are set for Saturday's No. 1 football fracas—a big nine game due to draw 80,000 fans into the big horseshoe stadium on the banks of the Olentangy.

Football fever which mounted all season as the Bucks about faced from last year's dismal doings, rapidly neared the stage of hysteria around Ohio's capital today.

The folk figured the twice-beaten local lads had an outside chance to whip the Wolves for the first time since 1944.

In the last three seasons the Michigans have piled up 86 points to 9 for the Bucks, but this time Buckeye hopes are high despite the fact the invaders are winging along with a 22-game winning streak.

Coach Wesley Fesler of the Bucks, in his second season at the helm, today stressed the "terrific attitude" of his plan, and declared:

"We'll be ready Saturday."

Michigan's smashing Wolverines ride a 22-game winning streak into Columbus Saturday for a Big Nine title showdown against Ohio State but they're trying to forget the matter or reputation.

In other words, Michigan is determined to ignore the record, just as the Wolverines know Ohio State will.

For all the Wolverines' keep Big Nine football rivalries, this traditional season windup with the Buckeyes more than any other has a reputation of utter disregard for any advance script.

Judging from the intense seriousness surrounding Michigan's practice camp this week, the Wolverines will pitch into Ohio State Saturday as if everything depends on it. Maybe that's because it does.

For Coach Benjamin Gaylord Osterbaan it means his hopes for an undisputed Big Nine championship in his first season as head man here.

For the players it's the key game to Michigan's second straight unbeaten season and two conference championships in a row.

A licking would ruin all that, collapsing a Michigan victory bubble that has steadily grown since October, 1946, to the largest proportions of any in major college football today.

The Wolverines are thoroughly familiar with the pitfalls surrounding a grid visit to Columbus.

In 1942, when Michigan could have tied for the conference championship, they fell to the Bucks 21 to 7. The same situation existed in 1944 when Ohio State won 18 to 14. Both times the Buckeyes took the title outright by beating Michigan.

Now the Wolverines are determined to turn the tables. Michigan has won seven of its last 10 meetings with the Buckeyes but this one looms more important than any of those, with the long winning streak in the balance.

Certainly the Wolverines stand ready to loose every weapon against the troublesome and fast improving Bucks. There's no cause for holding back.

Ready and 'rarin to go are sophomore halfback Chuck Ortmann, who already has gained more than 1,000 yards passing and running; his rookie running mate Leo Kocinski who has averaged four yards a carry on the ground and has gathered in 17 passes; Dick Ritenburg, who has scored eight times in eight games; Tom Peterson, the team's ground gaining leader who also has counted eight touchdowns, and all the rest.

That goes for the Michigan place-kicking specialist, Harry Allis, too. Allis has booted 28 points after touchdown with only five misses. All he wants Saturday is a chance to work.

Routt of Jacksonville opens the 1948-49 season with ISD on Dec. 3. A game for Nov. 29 with Franklin has been cancelled as the Franklin five, unable to fill that date. They meet later in the season.

Defending champs from last season are Roodhouse in the Winchester tourney; Carrollton in the Greene county, Illinois Valley and Jerseyville Regional tourneys; Winchester in the Milton Holiday tourney; Central Catholic of East St. Louis in the Jacksonville holiday tourney. Coach Tom Dunn's boys will participate in the Mt. Vernon holiday tourney this season.

Long Tells AFL Congress Will Repeal Labor Law

Cincinnati, Nov. 18.—(P)—Senator-elect Russell B. Long, son of the late Huey P. Long of Louisiana, told the AFL today a lot of congressmen who supported the Taft-Hartley act will vote for its repeal.

"It is my hope that by the time congress is in session one month, we will have taken that law off the statute books," Long said. He was 30 years old on Nov. 3 and will be the youngest member of the new Senate.

Long spoke after Daniel J. Tobin, head of the teamsters, handed AFL President William Green a check for \$82,500 as his union's share in the political league's program for the next 14 months.

The amount represented the union's ten-cents-a-head contribution agreed upon by the convention yesterday.

Tobin's check was the first received for that purpose. He presented it after getting an opinion from Counsel Albert Wolf that it was legal under the Taft-Hartley act.

The law prohibits union contributions in a campaign, but Tobin made sure the money was going for political education and information.

Tobin had expressed a preference for Republican candidate Thomas E. Dewey a few days before the last election.

Convention committees studying scores of resolutions and proposals on state and national legislation, and routine matters will start reporting tomorrow.

The major proposal under study would create an over-all legislative council to work out strategy and the type of legislation the AFL will endorse to replace the Taft-Hartley act.

Most of the day was devoted to speech-making. Delegates heard addresses by the British and Canadian fraternal delegates, and by Max Eastman, one-time social revolutionist.

Wilson Readies I.S.D. Cagers For Season's Opener At Franklin

Coach Spike Wilson, who claims he hasn't had a tall basketball player since he parked his navy braid and came home from the wars three years ago, is again faced with that same problem this year as he readies the I.S.D. cagers for their season's opener at Franklin, November 23.

Speed and ball handling will be stressed in workouts prior to the initial contest. Returning regulars from last year's team, Leo Cecil, Alta Hood, Billy Yates, and Stan Kwiat, the tallest of whom is Hood standing 5 ft. 9 inches, make for a fast, shifty outfit. The only missing link in this fine aggregation is Andy Kane, husky six footer, who starred at center for the Tigers last year, leading the city's scorers in the process.

Irvin Carstedt, a junior, and Oliver Hoffman, a senior, are fighting for the pivot spot vacated by Andy's graduation. Neither of these lads are tall, both marking the door casing at 5'9".

In Top Physical Condition
Coach Wilson's basketballers, fresh off the gridiron, are in top physical condition, and eager to resume hardwood hostilities. They face a rigorous nineteen-game regular schedule besides being entered in three tournaments. The Tigers will play nine games at home, and act as hosts to the annual FMBC tournament, which will be held Jan. 25-28 this season. The Tigers also will participate in the Louisiana, Mo., Invitational, Jan. 12-15, and the Regional Tournament, March 1-4, rounding out their allocated tournament entries for the year.

The I.S.D. cagers meet two out-of-state deaf schools, Missouri and Wisconsin. Both games are away from home.

Names Squad
Besides the four returning lettermen from last year's outfit, Wilson named the following boys as his probable squad: forwards, Leo Cecil, Alta Hood, Bruno Franco, David Early, and Doyel West; Centers, Irvin Carstedt, Oliver Hoffman, James Villani, and Harold White; Guards, Billy Yates, Stan Kwiat, Eddie Raffel, Gilbert Paul, Homer Nunes, and John Hadrukowicz; Wags, Paul, and Hadrukowicz are freshmen.

The Schedule
Home games scheduled for the season's play are Waverly, Nov. 30; Routt, Dec. 3; Macomb, Dec. 15; Chapin, Jan. 7; Tallula, Jan. 23; Jacksonville, Feb. 1; Mercedia, Feb. 8; Gillespie, Feb. 22; Roodhouse, Feb. 25. Games away from Franklin, Nov. 23; Perry, Dec. 7; Princeton, Dec. 10; Wisconsin, Dec. 11; New Berlin, Jan. 11; Chambersburg, Feb. 4; Mt. Sterling, Feb. 11; Bluffs, Feb. 15; Louisiana, Mo., Feb. 18; Missouri, Feb. 19. Seasonal tickets are not good at the FMBC Tournament to be held at the ISD gym, January 25-28.

Jerseyville Cagers Preparing For Heavy Schedule

Jerseyville—The Jerseyville community high school basketball team is working out under Coach E. E. Halt, preparing for a 20-game schedule plus the Winchester Invitational tournament.

Six lettermen—Junior Davis, Jim Waggoner, Bill Reynolds, Jim Wafford, Stanley Miller and David Green—are expected to form the nucleus of this year's five. Of the group, only Reynolds was a regular last year, although Davis and Wafford saw considerable action.

Coach Halt will be handicapped by lack of size as there are no tall boys on the squad.

A promising group of freshmen from last year's outstanding squad team indicate Jerseyville basketball fortunes are on the upgrade.

The team has been working out since Armistice Day for the home opener with Hardin Nov. 30.

The complete schedule:

Dec. 10—At Carrollton

Grains Lower On Board Of Trade

Chicago, Nov. 18.—(P)—All grains retreated on the Board of Trade today, knocked down by a group of mildly bearish items hitting a market which traders thought was ripe for a tumble. Losses ran to around 2 cents at times in wheat and corn.

Among the bearish items was an embargo on shipments of bulk grain to Houston, which had become an important export part for grains since the start of the Longshoremen's strike on the North Atlantic coast. Another was receipt of heavy snows in parts of the winter wheat territory.

Corn had to contend with a weak cash grain market, which also was traceable in part to the Longshoremen's strike. Processors and corn dryers were less aggressive bidders. The government bought no corn here yesterday, although it was offering to take the grain today.

These items came at a time when the market's technical position was weak, traders said. Rising prices over the past several sessions had made the market vulnerable for a reaction, they added. In addition, mill buying was less conspicuous in wheat than was the case yesterday.

Receipts were: wheat 1 car, corn 494, oats 17, soybeans 13.

Wheat closed 11 lower to a high of 2 cents lower, December \$1.42-1/2; oats were 1-1/2 lower, December 83-1/2; soybeans were unchanged to 1/2 lower, November \$2.68, and lard was unchanged to 8 cents a hundred pounds lower, November \$18.52.

Chicago Seeks Advice On A-Bomb Defense Of City

Chicago, Nov. 18—(AP)—Chicago's city aldermen are worried about the possibility of future atomic bomb attacks.

So they called in three top flight atomic experts today for advice on methods of protection.

The scientists appeared before a meeting of the city council building code subcommittee. They were Dr. Walter H. Zinn, director of the Atomic Energy Commission's Argonne national laboratory in Chicago, Dr. Austin M. Brues, head of Argonne's biology division, and Dr. Lester Guttman, University of Chicago metals instructor.

They touched on dangers of contamination of the city's water supply by atomic poisoning, the feasibility of installing bomb shelters in Loop buildings and the separation of residential and industrial areas.

Dr. Zinn told the aldermen that Chicago is luckier in one respect than coastal cities. An atomic bomb dropped into Lake Michigan, he said, would not leave nearly the amount of radioactive poison in the water as would a bomb dropped into sea water. The salt in seawater absorbs a great deal of radiation, whereas fresh water is relatively immune, he said.

City Has Contributed 89% Of Community Chest Quota To Date

A total of \$31,929 has been pledged to the Community Chest fund for the coming year according to a report submitted to the Community Chest Board Wednesday evening. This represents approximately 81% of the total needed to meet budget requirements for the coming year.

Of this total, \$29,588 has been raised by the city of Jacksonville and \$2,341 has been raised from residents of the county outside of Jacksonville. The city quota is \$33,000 which means that 89% of quota has been raised. The county has to date reported 39% of their \$6,000 quota. It was pointed out that county contributions were being made by mail and that they continue to come in daily so that it was expected that the county percentage would be considerably raised before the end of the year. County subscribers were urged to assume their share of the county Chest load by mailing their subscriptions as soon as possible.

Report Desk Closed

The campaign report desk in the Dunlap Hotel has been closed but campaign headquarters are still maintained in the Chamber of Commerce office at Room 205, Gibson Building where solicitors and contributors may either mail or bring their pledges at any time.

The Board officially commended Campaign Chairman Dr. Frank Marston for the excellent job which he had done in conducting the current campaign. Chest President, W. O. Randall, stated "We have raised more money in nearly all divisions this year than we did a year ago. We know of several excellent pledges still outstanding so that we are certain that we will exceed last year's goal by a considerable amount."

Will Review Budget

The Budget Committee of the Chest was instructed to review the budget for the coming year and wherever possible revise it downward so that the agencies could operate within the money available from this year's campaign. It was specifically pointed out by Chest officers, however, that unless additional contributions were turned in, all agency programs would probably have to be somewhat curtailed during the coming months.

our men know which end is up

When it comes to keeping your Buick up to steering scratch—so a finger-touch can handle it—our men know the answers.

They know the front-end construction of a Buick better than anyone else, so naturally they know what to do and what NOT to do to keep it at its best.

When wear and time have taken their toll of parts like control arm assemblies, steering arms and tie rods, they have our large stock of fresh-from-the-factory Buick parts for replacement.

Buick "heavy" plus factory-engineered parts makes a combination that can't be beat for keeping Buicks at their best.

PONTIAC

A Product of General Motors

Above everything else... a good car!

Pontiac has one manufacturing principle which takes precedence over all others: Pontiac must always be a good car! There is no other motor car quality which people value so much as goodness. That's why Pontiac engineers and production specialists spend so much time and energy and money to insure Pontiac quality. Pontiac cars must last long—and they must last well—and they must function through the years with a minimum of upkeep cost.

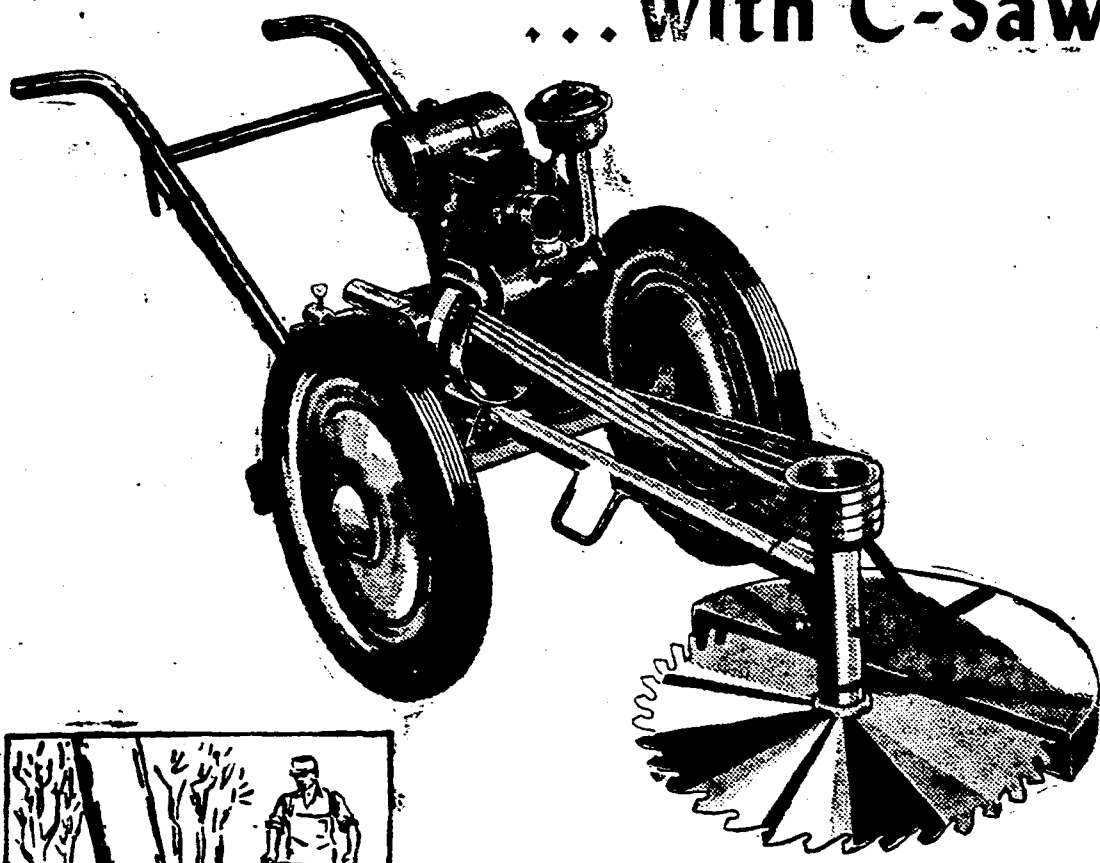

*General Motors Hydra-Matic Drive and White Sidewall Tires and Bumper Guards optional at additional cost.

Owners have been quick to appreciate this. Some of the testimonials they send to the factory, and to Pontiac dealers, tell of performance feats that seem almost impossible of attainment. Pontiac has many other outstanding virtues, of course. It is a wonderful performer. It is delightfully comfortable and easy to handle. It is a great beauty, and unusually distinctive in appearance. But its greatest virtue is goodness. This year, or any year, you just can't beat it for faithful performance.

THE STORY

Time, 1880
Well-to-do Louis Durand carries on a correspondence courtship with a Miss Julia Russell, whom he has never seen. When she finally comes from St. Louis to marry him, he is amazed to find her young and ravishingly beautiful—entirely different from what he had been led to expect. Certain behavior of hers puzzles him from the first but not until a letter arrives from her supposed sister—Miss Russell's sister—does he realize the woman he married is an impostor. Before he can face her with it, she disappears with \$50,000, withdraws from his bank account. The police advise him to go to St. Louis to see what he can find out. He does so, calls on Julia Russell's sister. Comparing notes, they realize that something must have happened to Julia Russell on the boat trip down to New Orleans.

XVIII

HE stayed the night at a hotel. Next morning he found Bertha Russell, coated, gloved and bonneted, a spectral figure in the unrelieved black of full mourning, waiting for him in the open doorway of her house, when he arrived shortly before nine to keep their appointment prearranged the night before.

"Have you anyone in mind?" he asked as they drove off. She had given an address on entering the carriage.

"I made inquiries after you left last evening. I have had someone recommended to me. He was well spoken of."

They were driven downtown into the bustling business section, the strange pair that they made, both so tight-lipped, both sitting so stark and straight, with not a word between them. The carriage stopped at last before a distinctly ugly-looking building, of beefy red brick.

Durand paid off the carriage and accompanied her in. They had to climb stairs, there being no lift. At the third landing stage they turned off down end-

and disappeared in turn. The police down there inform me that they cannot do anything about it for lack of proof that the original person I proposed marriage to was done away with. The impersonation and the theft are not punishable by law."

Downs said only three words.

"And you want?"

"We want you to obtain proof that a murder was committed. We want you to obtain proof of the murder that we both know must have been committed. We want you to trace and apprehend this woman who was a chief participant in it." He took a deep, hot breath. "We want it punished."

Downs nodded dourly. He looked thoughtfully.

"Will you take this case?"

"I have taken it already," Downs answered with an impatient gesture of his hand. "I cannot promise you I will succeed in solving it. I can promise you one thing and one only: I will never quit it again until I do solve it."

HE picked up a copy of that morning's newspaper, first shook it to spread it full, then narrowed it once more to the span of a single perpendicular column.

"The boat she sailed on from here," he said, "was which one?"

"THE CITY OF NEW ORLEANS," Durand and Bertha Russell said in unison.

"By a coincidence," he said, "here it is down again, for the company's next sailing. It leaves from here tomorrow, at 9 o'clock in the forenoon."

He put the paper down.

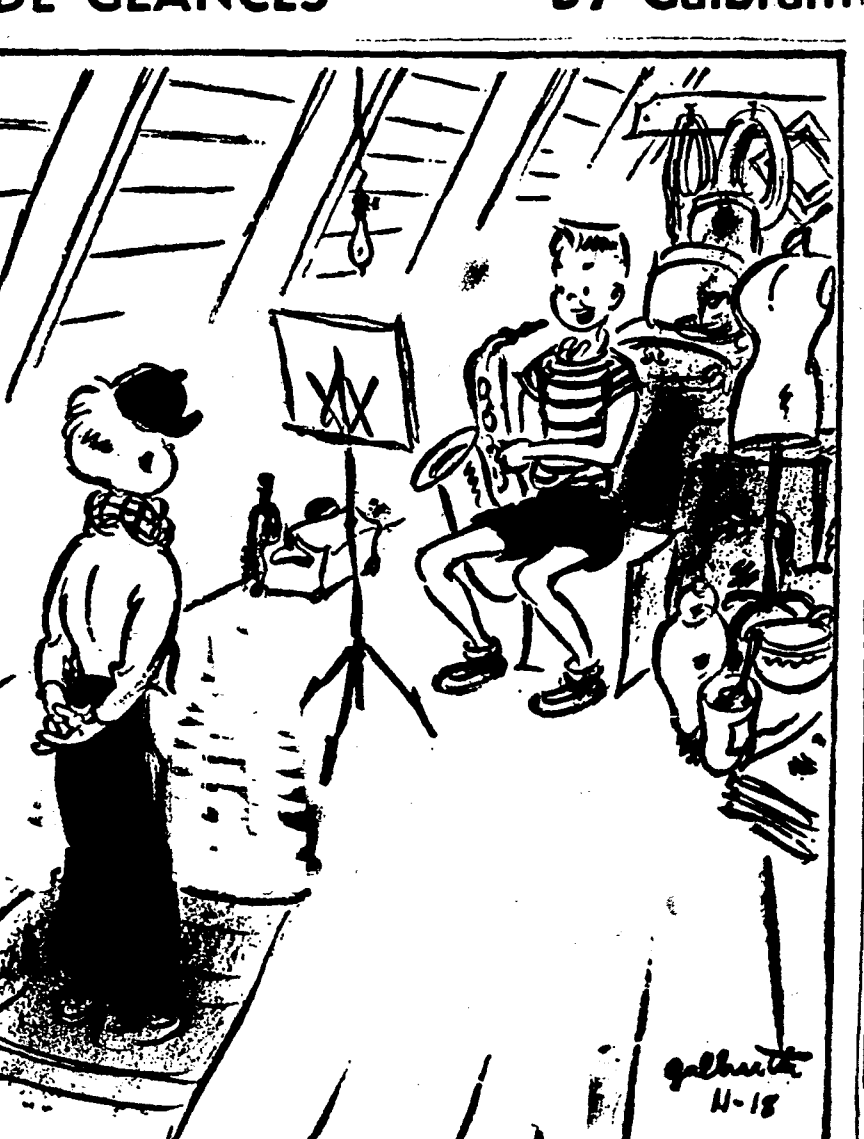

"Do you propose remaining here, Mr. Durand?"

"I'm returning to New Orleans at once, now that I've put this matter in your hands," Durand said.

"Good," Downs remarked, rising and reaching for his hat. "Then we'll both be sailing together, for I'm going down there now and get my ticket. We will begin by retracing her steps, making the same journey she did, on the same boat, with the same captain and the same crew. Someone may have seen something, someone may remember. Someone must."
